Monday 19th October 2026

Dear Parents and Carers,

Year 1 and Year 2 Animal Visitor – Animals2U Southwest

We are delighted to let you know that Marie from Animals2U Southwest will be visiting our Year 1 and Year 2 children on **Wednesday 6th January 2027**.

The cost of this exciting experience will be **£3.67 per child. Please make payment online via the School Gateway www.schoolgateway.com by Friday 4th December 2026.** Unfortunately, if we do not receive enough voluntary contributions, then the workshop will not be able to go ahead. If you would like to discuss payment, please visit the office.

Please comment on school gateway if your child has any animal allergies and if you do not give consent to photos being taken by Animals2U.

This visit will provide a fantastic opportunity to support the children's Science learning about animals. Marie will introduce the children to a range of amazing animals and reptiles, sharing fascinating facts about them, their habitats and their characteristics. The children will have the opportunity to see these wonderful creatures up close and, where appropriate, handle them under Marie's supervision. This will be a memorable, hands on learning experience that will help bring our Science curriculum to life!

We are really looking forward to welcoming Marie into school and giving the children the chance to discover more about the amazing animal world.

Thank you for your continued support.

Kind regards,

KS1 team
