Monday 19th October 2026

Dear Parents and Carers,

Year 2 School Trip to West Town Farm

We are excited to inform you that Year 2 will be visiting West Town Farm as part of our Geography and Science learning this term. The trip will support our Geography learning about the UK and Kenya, including food, food sources, climate and landscapes. It will also link to our Science learning about plants and how they grow in different environments.

The cost of the trip will be £15.78 per child which includes the cost of transport and a workshop. Please make payment via School Gateway www.schoolgateway.com ensuring that you tick the consent box when you make your payment. **Please pay by Monday 8th November 2026.**

Trip dates

- 2K: Tuesday 17th November
- 2DB: Friday 20th November

Each class will visit the farm in small groups throughout the day. We will confirm which group your child is in, along with their visit time (morning or afternoon) in a later email.

As the weather in November can be wet and cold, please ensure your child comes dressed appropriately for outdoor learning. Children may wear full outdoor learning gear, including wellies, waterproof trousers or a full waterproof suit, and a waterproof coat. Please also ensure that your child has a full change of warm, dry clothes in school, ready for after their visit.

Children will have their lunch at school so can have their usual lunch preference.

We would really appreciate parent volunteers who are willing to drive and support us on the trip. Please be aware that the drive to the farm is narrow, and we may only be able to accommodate one additional car. This means that volunteers will need to car share. If you are available to volunteer on your child's class trip date and are happy to drive, please email Mrs Boulton at Pinhoe-year2@cedartreefederation.org

Thank you for your continued support. We are looking forward to an exciting and memorable learning experience for the children

Kind regards

The Year 2 Team
